

K-Love is a GREAT inspiration to me and is a significant part of my daily life. I commute over an hour and 1/2 each day, to and from work, and listen to the station. It was a HUGE comfort to me when my husband and I moved to Colorado 4 years ago. K-Love was a big part of my life in New Mexico and I was sincerely sad it would not be a part of our lives in Colorado. I was THRILLED when it was an option in Colorado and would ask you to PLEASE continue to let K-Love air in our community. I'm a monthly supporter of the broadcast and don't want to see it go! Please keep it in our community!!!!

Sincerely,  
deanna torres
